HEALTH SUPPLEMENT

About Us

IRANDARU is a pharmaceutical company founded by American investors under the name of Cyanamid KBC in 1964, in Tehran, Iran.

It has developed more than 170 impactful medicines and supplements in various dosage forms such as capsules, tablets, solutions, sachets, semisolids and syrups.

The total number of employees in 2023 is more than 250 experts with positive outlooks for the business, that are our precious wealth.

R&D is at the heart of fulfilling Irandaru's purpose, as we work to translate advanced science and technologies into the therapies that matter most.

The company engages in import and export operation to Africa, Middle East and CIS countries and also hosts other countries. We are committed to enhancing people's lives through pioneering and delivering innovative treatments and therapies.
